## SCHOOL NOTES.

(Submitted by Students.)

The school has been especially fortunate during the past week. Thursday afternoon, Mr. Switzer, state Y. M. C. A. secretary for Nebraska, spoke to the high school, grammar and intermediate grades concerning the opportunities of school boys. Friday morning Mrs. Nesbit, a state worker of the Dry Federation of Nebraska, spoke to the people from the same three rooms, also to the primary and third and fourth grades in their respective rooms. We are hoping that other talks are in store for us.

Miss Florence Fleming, from Laurel, Neb., visited school one day last week.

Beva Harris, of Ponca, was a guest of Miss Cook.

The intermediate grades held an election last Tuesday using the sample ballots of the town and voted almost to the person. They elected Mr. Duensing and Mr. Buchanan by large majorities and each of these men reciprocated by treating the pupils to candy.

The sixth grade, while studying the Philippines Islands, was treated to a coconut by Samuel Stinson.

Marie Biermann visited in the third and fourth grade room Friday.

The finishing work is being done upon the debate which will be given at 8 o'clock at Homer, this, Friday, evening, April 14th. If the weather is favorable we hope to see a large number of Dakota City people at Homer that evening. We are especially anxious that a large number of the high school people be there.

The base ball game between Ponca and our boys was not wholly satisfactory to either side. The score was 7 to 2 in favor of Ponca until the last half of the fifth inning, when, owing to the wet snow which began to fall, Ponca lost control of the ball and our boys made ten runs with the bases full and only one man out. Ponca gave up the fight and the players left the field. The Ponca boys wish to make another trip down and repeat the game. The matter will be settled Saturday when we return the game to Ponca at 3 o'clock p. m., after having played Newcastle at 10 a. m.
